Percent of facilities classified as non-profit	Percent of facilities classified as non-profit	Percentage of facilities associated with the affiliated entity classified as ownership type: non-profit
Percent of facilities classified as government-owned	Percent of facilities classified as government-owned	Percentage of facilities associated with the affiliated entity classified as ownership type: government-owned
Average overall 5-star rating	Average overall 5-star rating	Average Five-Star Quality Rating System rating of facilities associated with the affiliated entity
Average health inspection rating	Average health inspection rating	Average Five-Star Quality Rating System health inspection rating of facilities associated with the affiliated entity
Average staffing rating	Average staffing rating	Average Five-Star Quality Rating System staffing rating of facilities associated with the affiliated entity
Average quality rating	Average quality rating	Average Five-Star Quality Rating System quality rating per facility associated with the affiliated entity
Average total nurse hours per resident day	Average total nurse hours per resident day	Average total nurse hours per resident day per facility
Average total weekend nurse hours per resident day	Average total weekend nurse hours per resident day	Average total weekend nurse hours per resident day per facility
Average total Registered Nurse hours per resident day	Average total Registered Nurse hours per resident day	Average total Registered Nurse (RN) hours per resident day per facility
Average total nursing staff turnover percentage	Average total nursing staff turnover percentage	Average total nursing staff turnover percentage per facility
Average Registered Nurse turnover percentage	Average Registered Nurse turnover percentage	Average Registered Nurse turnover percentage per facility
Average number of administrators who have left the nursing home	Average number of administrators who have left the nursing home	Average number of administrators who have left the nursing home per facility
Total number of fines	Total number of fines	Total number of civil monetary penalties (CMPs) across all facilities
Average number of fines	Average number of fines	Average number of CMPs per facility
Total amount of fines in dollars	Total amount of fines in dollars	Total dollar amount of CMPs across all facilities
Average amount of fines in dollars	Average amount of fines in dollars	Average total dollar amount of CMPs per facility

Total number of payment denials	Total number of payment denials	Total number of denial of payment for new admissions (DPNAs) across all facilities
Average number of payment denials	Average number of payment denials	Average number of DPNAs per facility
Average percentage of short-stay residents who were re-hospitalized after a nursing home admission	Average percentage of short-stay residents who were re-hospitalized after a nursing home admission	Average percentage of short-stay residents who were re-hospitalized after a nursing home admission
Average percentage of short-stay residents who have had an outpatient emergency department visit	Average percentage of short-stay residents who have had an outpatient emergency department visit	Average percentage of short-stay residents who have had an outpatient emergency department visit
Average percentage of short-stay residents who newly received an antipsychotic medication	Average percentage of short-stay residents who newly received an antipsychotic medication	Average percentage of short-stay residents who newly received an antipsychotic medication
Average percentage of short-stay residents with pressure ulcers or pressure injuries that are new or worsened	Average percentage of short-stay residents with pressure ulcers or pressure injuries that are new or worsened	Average percentage of short-stay residents with pressure ulcers or pressure injuries that are new or worsened
Average percentage of short-stay residents who made improvements in function	Average percentage of short-stay residents who made improvements in function	Average percentage of short-stay residents who made improvements in function
Average percentage of short-stay residents who were assessed and appropriately given the seasonal influenza vaccine	Average percentage of short-stay residents who were assessed and appropriately given the seasonal influenza vaccine	Average percentage of short-stay residents who were assessed and appropriately given the seasonal influenza vaccine
Average percentage of short-stay residents who were assessed and appropriately given the pneumococcal vaccine	Average percentage of short-stay residents who were assessed and appropriately given the pneumococcal vaccine	Average percentage of short-stay residents who were assessed and appropriately given the pneumococcal vaccine
Average number of hospitalizations per 1,000 long-stay resident days	Average number of hospitalizations per 1,000 long-stay resident days	Average number of hospitalizations per 1,000 long-stay resident days
Average number of outpatient emergency department visits per 1,000 long-stay resident days	Average number of outpatient emergency department visits per 1,000 long-stay resident days	Average number of outpatient emergency department visits per 1,000 long-stay resident days
Average percentage of long-stay residents who received an antipsychotic medication	Average percentage of long-stay residents who received an antipsychotic medication	Average percentage of long-stay residents who received an antipsychotic medication
Average percentage of long-stay residents experiencing one or more falls with major injury	Average percentage of long-stay residents experiencing one or more falls with major injury	Average percentage of long-stay residents experiencing one or more falls with major injury
Average percentage of long-stay high-risk residents with pressure ulcers	Average percentage of long-stay high-risk residents with pressure ulcers	Average percentage of long-stay high-risk residents with pressure ulcers

Average percentage of long-stay residents with a urinary tract infection	Average percentage of long-stay residents with a urinary tract infection	Average percentage of long-stay residents with a urinary tract infection
Average percentage of long-stay residents who have or had a catheter inserted and left in their bladder	Average percentage of long-stay residents who have or had a catheter inserted and left in their bladder	Average percentage of long-stay residents who have or had a catheter inserted and left in their bladder
Average percentage of long-stay residents whose ability to move independently worsened	Average percentage of long-stay residents whose ability to move independently worsened	Average percentage of long-stay residents whose ability to move independently worsened
Average percentage of long-stay residents whose need for help with activities of daily living has increased	Average percentage of long-stay residents whose need for help with activities of daily living has increased	Average percentage of long-stay residents whose need for help with activities of daily living has increased
Average percentage of long-stay residents who were assessed and appropriately given the seasonal influenza vaccine	Average percentage of long-stay residents who were assessed and appropriately given the seasonal influenza vaccine	Average percentage of long-stay residents who were assessed and appropriately given the seasonal influenza vaccine
Average percentage of long-stay residents who were assessed and appropriately given the pneumococcal vaccine	Average percentage of long-stay residents who were assessed and appropriately given the pneumococcal vaccine	Average percentage of long-stay residents who were assessed and appropriately given the pneumococcal vaccine
Average percentage of long-stay residents who were physically restrained	Average percentage of long-stay residents who were physically restrained	Average percentage of long-stay residents who were physically restrained
Average percentage of long-stay low-risk residents who lose control of their bowels or bladder	Average percentage of long-stay low-risk residents who lose control of their bowels or bladder	Average percentage of long-stay low-risk residents who lose control of their bowels or bladder
Average percentage of long-stay residents who lose too much weight	Average percentage of long-stay residents who lose too much weight	Average percentage of long-stay residents who lose too much weight
Average percentage of long-stay residents who have symptoms of depression	Average percentage of long-stay residents who have symptoms of depression	Average percentage of long-stay residents who have symptoms of depression
Average percentage of long-stay residents who used antianxiety or hypnotic medication	Average percentage of long-stay residents who used antianxiety or hypnotic medication	Average percentage of long-stay residents who used antianxiety or hypnotic medication
Average rate of potentially preventable hospital readmissions 30 days after discharge from a SNF	Average rate of potentially preventable hospital readmissions 30 days after discharge from a SNF	Average rate of potentially preventable hospital readmissions 30 days after discharge from a SNF
Average percentage of current residents up to date with COVID-19 vaccines	Average percentage of current residents up to date with COVID-19 vaccines	Average percentage of current residents up to date with COVID-19 vaccines per facility

Average percentage of healthcare personnel up to date with COVID-19 vaccines	Average percentage of healthcare personnel up to date with COVID-19 vaccines	Average percentage of healthcare personnel up to date with COVID-19 vaccines per facility
